

Once again, the North Fork Business Advisory and the 3 area high schools had a successful Job Shadow Day on Friday, May 3, 2024. Greenport High School had 16 students participate who shadowed at various locations throughout the North Fork. We would like to extend a gracious thank you to Peconic Landing, Ted's Autobody Shop, DJK Heating & Cooling, Ameriprise Financial, Schweiger Dermatology, Greenport Elementary, Southold Middle School, Custom Lighting of Suffolk and Southold Police Department for hosting our students. The students had an opportunity to experience firsthand what these career paths could be like and learn about the opportunities available.
