ARRIVAL PROCEDURES PreK-6

The elementary school day begins at 8:45 a.m (for grades PreK-5) and 7:45 (for grade 6). Students coming to school after 8:45 a.m. (for grades PreK-5) and 7:45 (for grade 6) will be considered late and are required to sign in at the main office to receive a pass before reporting to their classrooms.

Weather permitting, all PreK-5 students will line up outside on the east side of the building. **Students should not report to school before 8:30 a.m.** unless involved in a scheduled activity or unless they have been instructed by the administration/teacher to report early. This is an important school procedure, as there will be **no staff supervision before 8:30 a.m.** In the event of inclement weather, the students will line up inside the building on the first floor beginning at 8:30 a.m. Students will be expected to remain orderly and follow the directions set forth by the staff on duty. Teachers and staff will be on duty to await the arrival of the buses and to escort the students to class.

ART AND HUMANITIES PROGRAM

A variety of assembly programs will be scheduled throughout the school year. Teachers and students will be notified in advance as to the name, date, and time of the programs. In most cases, teachers will be furnished with information and materials to review with their classes prior to the assembly.

ATTENDANCE

Regular school attendance and punctuality are important factors involved in the academic success of all students. A written excuse from the parent/guardian is required when a student is absent from school for all or part of the day. Excuse/absent notes should include the date(s) involved and reason for absence. The absent note must also be signed and dated by the parent or guardian. Teachers will submit all absent notes to the nurse to update illnesses or medical conditions. The NY State Education Department considers the following as legal excuses for student absence or tardiness from school: Sickness or death in the family, quarantine, requirement to be in court, religious observances, impassable roads or weather, or attendance at a health clinic.

Parents or guardians are asked to arrange vacations and trips apart from the school year calendar. School work missed due to an illegal absence may be assigned to a student upon his/her return to school and will be completed within a prescribed time period. ***Parents are requested to make appointments with physicians and dentists after school hours.***

Parents/guardians who wish to be notified when their child is not in attendance will be expected to:

- Send a letter to Mrs. Taylor, the Greenport Attendance Officer, stating this request (c/o Greenport School)
- Phone Mrs. Taylor as early as possible whenever their child is not in attendance at 477-1950 (1222)
- Keep the school informed of any change of address or phone number both at home and at work.

BEHAVIOR AND DISCIPLINE

The Greenport School District expects all students to conduct themselves in an appropriate civil manner, with proper regard for the rights and welfare of other students, district personnel, school community members, as well as for the care of school facilities and equipment.

The best discipline is self imposed, and students are expected to accept responsibility for their own behavior, as well as the consequences of their misbehavior. Disciplinary actions by district personnel will be imposed only when necessary and with an understanding of a student's age level and ability.

The Greenport School District also recognizes the need to make specific and clear expectations for student conduct on school grounds or during school functions. Students who will not accept responsibility for their own behavior and who violate the school rules will be required to accept the penalties for their conduct. Students may be subject to disciplinary action, up to and including suspension from school, when they violate school rules as shown in the table below. The district Code of Conduct is part of the SAVE Policy. A complete text of the SAVE Code of Conduct Policy is available in the superintendent's office.

- ***Other offenses will be handled by the Administration in a manner that is consistent with the basic discipline philosophy of the Greenport School District.***

- ***The Administration reserves the right to amend or adjust minimum consequence based on frequency or severity of behaviors.***
